

# Amazing Grace Hymn (Guitar)

Public Domain  
(PitchMichael.com)

Key of G

## Refrain:

<sup>G</sup> Amazing <sup>C</sup> Grace! (how <sup>D</sup> sweet the <sup>G</sup> sound)

That saved a wretch like me!

<sup>G</sup> I once was lost, but now am <sup>C</sup> found,

<sup>Em</sup> Was blind, but now I see.

## Verse 1:

<sup>G</sup> 'Twas grace that taught my heart to <sup>C</sup> fear,

And <sup>D</sup> grace my fears relieved.

<sup>G</sup> How precious did that <sup>C</sup> grace appear,

<sup>Em</sup> The hour I first <sup>D</sup> believed.

## Verse 2:

<sup>G</sup> Through many dangers, toils and <sup>C</sup> snares

We have already <sup>D</sup> come

<sup>G</sup> 'Twas grace hath brought us safe thus <sup>C</sup> far

<sup>Em</sup> And grace will lead us <sup>D</sup> home

## Verse 3:

<sup>G</sup> When we've been there ten thousand <sup>C</sup> years,

Bright shining as the <sup>D</sup> sun,

<sup>G</sup> We've no less days to sing <sup>C</sup> God's <sup>G</sup> praise

<sup>Em</sup> Than when we first <sup>D</sup> begun.
